

## Brown Bag Assignment!!!

Can you believe it? Homework on the first day of school? Don't worry! It's easy and fun. To help us get to know you better your assignment is to do the following:

5. Think about what's important to you and how you spend your time (family, pets, hobbies, interests)
6. Now choose 5 objects that will represent those things! They need to fit in the brown bag. For example, if you love animals, do you have a stuffed animal or a pet's toy you could bring?
7. Ask permission to bring the objects to school. Think twice about it if it's breakable or very expensive. Could you find something else that would work?
8. Bring the items in the bag to school and be ready to tell us what they show about YOU!

Due: tomorrow or Friday!
